## School Clubs

Clubs are run as an extra-curricular activity and not an extension of what is being taught in class.

Registers should be kept which are collected by the club's coordinator at the end of each day. Clubs should be fun for teachers as well as pupils.

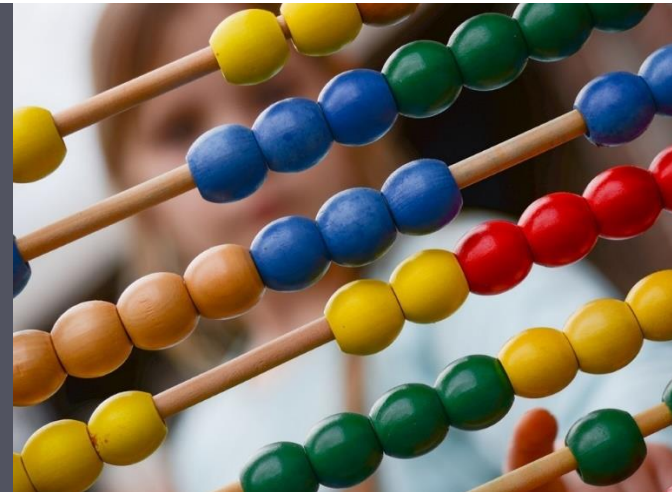

All new teachers are required to complete a six (6) month probationary period before they can run a club.

As part of our uniqueness, we run thematic terms. The theme is brought out clearly during the weekly assemblies.
